To: All family members of a current Resident at St. Martin's and to our friends,

It almost seemed like life was back to normal when we did not have to do the weekly COVID testing this past Monday! However, we remain steadfast in our commitment to protect our Residents and keep the Coronavirus out of St. Martin's Home.

All the Residents are well and can't wait to see you for an outdoor/indoor visit. Please contact Danielle to set up a visit. The sunshine and beautiful fall weather give all of us a sense of warmth and comfort, even though we see the days shorten and frost all around us in the morning.

We continue to pray for you and for your families and for an end to this pandemic which has changed the lives of everyone. There will come a time when normalcy will once again prevail; the required restrictions will not last forever. In the meantime, the safety and well-being of your loved one is our utmost concern and we will do everything necessary to keep them safe.

Please keep us in your daily prayers so that together we continue to thank God and St. Joseph for our protection from COVID-19.

Most sincerely,

Sister Joseph Caroline
