October 22, 2021

To: All family members of a current St. Martin's Resident and to our friends,

The Little Sisters and the staff of St. Martin's Home are now and have always been committed to the health and well-being of our beloved Residents. The COVID-19 pandemic brought with it a new set of challenges, but we immediately adapted to new circumstances while still providing a warm and loving experience for those in our care.

I am once again very pleased to announce that test results for this week for all unvaccinated employees were negative. We look forward to the day when this disease is vanquished but, until then, we appreciate your cooperation and help in doing all we can together to keep one another safe.

Last week we reviewed the visitation policy and would like to thank you for adhering to that policy. By doing so, we are all able to see our loved ones and share in the joy of those visits. The health and safety of our Residents are our top priority and every action and measure we put in place reflects that commitment. We follow the guidelines of the Centers for Disease Control (CDC), the Centers for Medicare and Medicaid Services (CMS), the Maryland Department of Health, and Governor Hogan's office. In partnership with these agencies, we are monitoring the care of all who call St. Martin's Home.

On behalf of the Little Sisters and all our staff, we want to thank you for allowing us to care for your loved one. We recognize the high level of trust you place in us and we are committed to providing excellent care to those whom we have the privilege to serve.

As we move through this time of precaution, we continue to trust in God's goodness, learning the lessons he has taught us along the way. May God continue to bless and care for you and your family.

Most sincerely,

Sister Jeanne Mary, l.s.p.
