April 14, 2022

To: All family members of a current St. Martin Resident and to our friends,

This Sunday is Easter! Alleluia! Alleluia! The Little Sisters join me in extending Easter greetings and rejoicing with you in the joy of the Resurrection. I pray that the Easter "Alleluia" will refresh the hearts of all the Faithful.

Again this week, all unvaccinated employees and those employees who did not receive their booster, tested negative for the coronavirus. For this, we continue to thank God and our good St. Joseph.

As you make your plans this week to visit with your loved one at St. Martin's, please remember the guidelines from the Maryland Department of Health that I shared with you last week:

"All visitors, regardless of vaccination status, shall be asked to provide proof of a negative test obtained within 72 hours of entry into the facility or to agree to be tested on site using a point of care/rapid test. If a visitor refuses the request to provide proof of a negative test or to take a test, the visitor shall wear a face covering and physically distance in accordance with CMS and CDC guidance. Visitors that test positive may not enter the facility."

"Christ my hope is arisen; to Galilee he goes before you." What beautiful words to remind us that Christ is always before us, always there to lead us. Our world of late may make it seem like the tomb is empty and we "don't know where they have taken Him", but the empty tomb is the reason we rejoice at Easter. He is the reason we can have hope that all things, even the things difficult to understand, are in His control. He is always showing His love, compassion, and mercy.

May God continue to bless you and your family.

Most sincerely,

Sister Jeanne Mary, I.S.P.  
Superior
