To: All family members of a current St. Martin's Resident and to our friends,

Today, unfortunately, one of our employees tested positive for COVID. This employee works on a cottage so testing was done on the Residents. Thankfully, God, St. Jeanne Jugan, and our good St. Joseph kept watch and none of our beloved Residents were positive.

This is a strong reminder to us not to let our guard down because we are witnessing signs of warmer, more pleasant weather. This invisible enemy is still a danger. The infected employee is quarantining at home for the next ten days.

May God continue to bless you and your family. The Little Sisters, our dear Residents, and our staff pray for you daily.

Most sincerely,

Sister Jeanne Mary, l.s.p.
