October 30, 2020

To: All family members of a current Resident at St. Martin's and to our friends,

We are happy to continue welcoming you to St. Martin's Home for both indoor and outdoor visits. As our indoor visitations continue, please note that there may be unforeseen circumstances that impact this process. We will continue to evaluate our current indoor visitation policy, adjust as needed, and inform you of any changes. We ask for your patience and understanding during this process. As this is a big step forward for all of us, let us work together to make indoor visits a success!

This past Monday, all Little Sisters and staff were tested for COVID-19 and I am pleased to tell you that our home remains free of the coronavirus. We continue to monitor our beloved Residents very closely and still do daily screening of all employees for outward signs of illness.

Please contact Danielle, our Activities Director, to schedule your indoor or outdoor visit or to connect with your loved one through technology.

This weekend as we change the clocks again, we look forward to an extra hour of daylight. Coming up in the new month of November, we will celebrate the feast of All Saints Day and All Souls day, where we pray for all those who have gone before us into eternal life with our Lord. These past months of the pandemic have touched all of our lives and we remember all of our deceased family and friends.

Please be assured of the prayers of all the Little Sisters as we continue to battle this pandemic. We hope and pray you and your family stay well and in return ask that you remember us in your prayers.

Most sincerely,

Sister Joseph Caroline

Mother Joseph Caroline, I.s.p.
