

June 11, 2021

To: All family members of a current St. Martin's Resident and to our friends,

I am once again very pleased to announce that test results on Monday for Residents, Little Sisters, and staff were negative. Please remember that although guidelines have changed for the broader community, guidelines for long-term care and Assisted Living have not changed in the same manner. The Little Sisters are committed to the health and well-being of our Residents in mind, body, and spirit.

While protecting our Residents from COVID-19 is of the utmost importance to us, so is filling their days with moments that bring them joy. Please continue to schedule indoor and, weather permitting, outdoor visits with Danielle, our Activities Director. Nothing brings a smile to the faces of those we care for than seeing you in person, face to face, with the hope that one day soon the restrictions will continue to lessen. We hope to see you next weekend in your vehicles for our "Honk Your Horn, Hon" day on Saturday, June 19th.

We hope you are having a Blessed Feast Day of the Sacred Heart of Jesus.

May God continue to bless you and your family.

Most sincerely,
Sister Joseph Caroline, l.s.p.
Superior
