To: All family members of a current St. Martin's Resident and to our friends

I am very pleased to announce that we have no positive cases of the coronavirus from the testing of those unvaccinated this week. It also delights me to report that additional Residents have opted to receive the vaccine. We are encouraging anyone unvaccinated to consider taking the COVID vaccine for their own safety and that of others.

We are all filled with joy because you can visit your loved one again! Please continue to schedule all visits with Danielle in Activities and to call her if you have any questions.

Many of you heard Governor Hogan announce last week that most statewide COVID-19 restrictions will be lifted on Thursday, July 1 because of the steady decline of COVID-19 health metrics.

Unfortunately this announcement does not apply to us as a healthcare facility. We have very different requirements mandated to us by the Maryland Department of Health. We must continue to screen and to follow CMS's Core Principles of COVID-19 Infection Prevention guidance. We look forward to relaxing the requirements as soon as we are given the authorization to do so.

As I mentioned in last week's letter, I am on retreat this week and assure you of my prayers for you and for your special intentions. May God continue to bless you and your family.

Most sincerely,

Sister Joseph Caroline, I.s.p.
