July 2, 2021

To: All family members of a current St. Martin's Resident and to our friends

Once again this week I am happy to report that all testing of unvaccinated Residents and employees was negative. Although this is an indication that our continued use of frequent hand sanitizing, social distancing, and mask wearing is helping to turn the tide of COVID-19, it does not mean we have completely eradicated the deadly virus. We anticipate the time when that day does come and we can welcome you once again into our Home with no restrictions.

However, for now we still continue to have modified criteria for visiting your loved ones. Our Activities Director, Danielle, will be happy to help you schedule your visit. As always, if you are ill or have been around someone who is not well, please delay your visit to a later date. When you arrive at St. Martin's you will be introduced to our new system for recording temperatures. Accushield creates a safer and healthier environment for Residents, visitors, and staff. The tablet-based kiosk replaces the manual paper sign-in sheets

As many of you know, my time at St. Martin's is coming to an end. I ask God and our good St. Joseph to watch over St. Martin's and you as I move on to my next assignment in New York this coming week. My heart is filled with gratitude for all of you and for all that you have done to make my time here so enjoyable, and I assure you of my prayers and ask that you remember me in your prayers.

Mother Jeanne Mary will be coming in mid-July to serve as the Mother Superior here in Baltimore. I ask that you please welcome Mother Jeanne as you welcomed me and to continue the beautiful family spirit that you portray.

May God bless you and all those you hold dear.

Most sincerely,

Sister Joseph Caroline, I.s.p.
Superior
