To: All family members of a current St. Martin's Resident and to our friends,

I hope you had an enjoyable July 4<sup>th</sup> with family and friends. So different from July 4, 2020, when our cookout at St. Martin's was done in quarantine. Our world is slowly returning to normal and for that we thank God and our good St. Joseph.

This week's testing of unvaccinated Residents and staff was negative. I am also happy to report that St. Agnes Hospital is donating their time to vaccinate Residents who changed their mind and now see the wisdom in protecting themselves against COVID-19. We are also helping unvaccinated staff members procure the vaccine at a location convenient for them.

Although Governor Hogan lifted the face mask mandate effective July 1, 2021, all long-term care facilities follow the protocols set by the Centers for Medicare and Medicaid Services (CMS) and the Center for Disease Control (CDC) who still require face masks be worn in all assisted living and skilled nursing facilities.

The Little Sisters and the Residents of St. Martin's Home continue to remember you in their prayers, and we ask that you remember us in yours.

Most sincerely,

*Sister Bernadette, l.s.p.*
