August 19, 2021

To: All family members of a current Resident and to our friends,

Testing is complete for this week and I am happy to report that all unvaccinated employees tested negative for the COVID-19 virus.

Our visiting process is going very well and we thank all of you for your cooperation and understanding. I would like to reiterate the procedures and guidelines we have in place for visiting St. Martin's Home to eliminate any confusion.

Please contact Danielle, our Activities Director, or Nikki, our Activities Assistant to schedule a visit with your loved one. Upon entering St. Martin's, you will need to fill out a short questionnaire and have your temperature taken. With that complete, Danielle or Nikki will make sure you are connected with your Resident. As a reminder, masks must be worn at all times and we encourage you to use the hand sanitizers which are conveniently placed throughout our Home.

We are so grateful that we have arrived at this point regarding visitors. We are concerned with the surges we see throughout the country with the Delta Variant and are doing everything possible to keep our Residents safe. Again, we thank you all for your cooperation and understanding, and as always, I will continue to provide regular, weekly updated letters.

May God bless you and your families and keep you safe and well.

Most sincerely,

Sister Jeanne Mary, l.s.p.
Superior
