To: All family members of a current St. Martin's Resident and to our friends,

Thank you, St. Joseph, for watching over St. Martin's Home. It gives me great pleasure to write you today that the twice-a-week testing for Residents, Sisters, and staff is all negative. Going forward we will test weekly only our unvaccinated employees.

My greatest joy is welcoming you back for inside visits with your loved ones. To make these arrangements, please contact Danielle, our Activities Director. She will be happy to assist you. We are very excited that our beloved Residents will now be able to join together for bingo, Link Senior, and other fun activities.

We sincerely apologize for the extreme inconvenience of the past weeks, but we must abide by these guidelines and implement the most stringent precautions possible to protect everyone. If you are unable to visit in person, we encourage you to keep in touch with your loved one via phone, Skype, Zoom, or FaceTime and contact us if you have any questions or need assistance setting up these virtual visits.

The Little Sisters join me in wishing you a safe and happy Labor Day weekend. We will remember you in our prayers and ask that you remember us also.

Most sincerely,

Sister Jeanne Mary, l.s.p.
