December 29, 2021

To: All family members of a current St. Martin's Resident and to our friends,

From our testing on Monday, three additional employees were identified as positive for COVID-19. Thursday, December 30 is another test day and if more cases emerge, we will notify you.

Despite our high vaccination rate, we recognize the growing concern of what the winter months and the Omicron variant may bring. We will remain diligent with infection prevention measures, but we need everyone's help with adhering and reinforcing the following:

- **Mask Wearing** – Everyone must wear their mask correctly (covering nose and mouth) the entire time you are in our St. Martin's Home.
- **Social Distancing** – Although the desire to hug your loved one is very natural, please allow a 6' distance between you and our Resident.
- **Hand Sanitizing** – Please take advantage of the many hand sanitizing stations throughout our Home.
- **Temperature taking** – Upon arrival at St. Martin's, please (while completely masked), answer the questions at our kiosk. Your temperature will automatically be taken.

We want to thank you for working with us to keep your loved one safe. At all times, we follow the regulations given us by the Maryland Department of Health, the Centers for Disease Control, and the Centers for Medicare and Medicaid Services.

Our prayers are with you for a healthy, happy, and holy 2022.

Most sincerely,

Sister Jeanne Mary, l.s.p.
