To: All family members of a current St. Martin's Resident and to our friends,

Through our continued twice a week testing, we discovered two additional positive cases of COVID-19 infecting one Resident and one employee. As is our policy, the employee is quarantining at home while our beloved Resident is in isolation in their room and being taken care of by the Little Sisters and our medical staff.

The Little Sisters continue to pray daily to God and our good St. Joseph to keep watch on our St. Martin's Home. Please join us in praying for each other and for an end to the pandemic.

Most sincerely,

Sister Jeanne Mary, l.s.p.
