To: All family members of a current St. Martin's Resident and to our friends,

Once again this week I am pleased to advise you that there are no positive COVID cases to report in the unvaccinated employees we tested on Monday and Thursday. We are praying these negative testing results continue.

We continue to work closely with the CDC, CMS, the Department of Health and Governor Hogan's office and we remain committed to maintaining the highest standard of care at St. Martin's. We will communicate any changes to you as time progresses.

The Little Sisters join me in praying for you and your intentions. May your Guardian Angel surround you and protect each of you and your families.

Most sincerely,

Sister Jeanne Mary, I.S.P.  
Superior
