To: All family members of a current St. Martin's Resident and to our friends,

This is our first week testing unvaccinated employees and those who did not receive their booster. Both testing dates had negative results.

Our prayer of thanks goes to our good St. Joseph for keeping us safe. Our Mother Foundress, St. Jeanne Jugan, confided all her cares to St. Joseph and named him as the protector of our Homes. Tomorrow, March 19, the Church celebrates the Solemnity of St. Joseph, the highest feast day dedicated to Jesus' foster father and the head of the Holy Family.

The Little Sisters, the Residents and the staff of St. Martin's continue to pray for you each day, asking St. Joseph to keep you free from harm. Please remember to pray for us and for an end to the pandemic.

Most sincerely,

Mother Jeanne Mary, I.S.P.
