To: All family members of a current St. Martin's Resident and to our friends,

During our second testing this week, one additional Resident had a positive result and is quarantining. The majority of the Residents who tested positive in the past two weeks are now out of quarantine and are doing well.

We thank you once again for your prayers and your concern during this unprecedented time at St. Martin's. Keeping our Residents healthy and happy is our only concern and having your support is monumental as we continue to battle COVID.

As we begin to enjoy the warm weather, please remember to visit your loved one and consider visiting with them outdoors. We have many lovely areas made specifically for sitting and chatting.

May God and our good St. Joseph continue to watch over you and your family. Please be assured of the prayers of the Little Sisters.

Most sincerely,

Sister Jeanne Mary, I.S.P.
