To: All family members of a current St. Martin's Resident and to our friends,

Unfortunately during today's testing of all employees and the Residents in independent living, we had five positive cases of COVID-19 among the Residents. They are currently asymptomatic and are quarantining in their apartments. Additionally these five Residents are vaccinated and boosted.

Visitation remains the same with the exception of the Residents in independent living. We will continue to test on Mondays and Thursdays and we will update you on the results of the testing.

Most sincerely,

Sister Jeanne Mary, I.S.P.
