April 29, 2022

To: All family members of a current St. Martin's Resident and to our friends,

During our regular testing this week of unvaccinated employees and those employees who did not receive their booster, we detected one positive case in an employee who has no Resident contact. That person is currently quarantining at home and not scheduled to work until the middle of May.

The health, safety, security, and comfort of our beloved Residents is our top priority. We carefully follow the rapidly changing COVID-19 situation and immediately act upon recommendations by the Centers for Disease Control and Prevention, the Centers for Medicare and Medicaid Services, the Maryland Department of Health and Governor Hogan's office. We are committed to providing best practices for prevention and the most up-to-date information available.

Our St. Martin's family sends prayers to you and your family. During this joyful Paschal Season, Jesus continues to accept us just as we are. Let us share that gift with those around us.

Most sincerely,

Sister Jeanne Mary, I.S.P.
Superior
