To: All family members of a current St. Martin's Resident and to our friends,

During today's testing, one staff member tested positive for COVID. This employee does not have contact with our Residents, is asymptomatic, and is quarantining at home.

Like you we long for the day when this pandemic will finally be a thing of the past, but we remain resolved to do whatever is necessary to provide the best care possible to those who bless us with the opportunity to serve them.

We continue to pray for you, your family members and all those who need solace and comfort during these difficult days.

Most sincerely,

Sister Jeanne Mary, I.S.P.
