To: All family members of a current St. Martin's Resident and to our friends,

Today's testing resulted in one employee testing positive for COVID. The employee currently works in Lourdes Cottage therefore our protocol is to test the Residents in that cottage twice a week for the next two weeks. The employee is quarantining at home.

The Little Sisters continue to follow the regulations outlined by the Centers for Disease Control, the Centers for Medicare and Medicaid Services and the Maryland Department of Health and look forward to the day when the coronavirus becomes a memory. Until that time, we will continue to provide the greatest care to our beloved Residents.

The Little Sisters continue to pray for you and your family.

Most sincerely,

Sister Jeanne Mary, I.S.P.
