To: All family members of a current St. Martin's Resident and to our friends,

Today, during our normal COVID testing of all employees, we had one positive result. Unfortunately, this employee has day-to-day contact with our Residents so we will resume testing them as well.

We take every precaution to keep our Residents safe so when this happens, we review our policies with our staff to ensure proper procedures are followed. Our main concern is the safety and health of our Residents.

May God continue to bless you and your families and keep you safe and well.

Most sincerely,

Ryan Sachs, LNHA
Administrator
