To: All family members of a current St. Martin's Resident and to our friends,

This weekend, one of our Residents tested positive for COVID-19 and will quarantine in their room. According to the Centers for Disease Control and the State of Maryland, our other Residents do not need to quarantine.

If you had plans to visit your loved one, please feel free to do so.

The Little Sisters join me in wishing you a very pleasant last week of summer.

Most sincerely

Ryan Sachs, LNHA
