October 14, 2022

To: All family members of a current St. Martin's Resident and to our friends,

As you are aware, there was no COVID testing done at St. Martin's Home this week because we had no positive cases during a two-week period.

The health, safety, security, and comfort of our Residents, Little Sisters and our employees is our top priority. We are carefully following the rapidly changing Coronavirus/COVID-19 situation and have been acting upon recommendations by the Centers for Disease Control and Prevention (CDC) and local Health Departments and Regulatory Agencies. We are committed to providing best practices for prevention and the most up-to-date information available.

The Little Sisters join me in wishing you a safe and healthy weekend.

Most Sincerely,

Ryan Sachs, LNHA
Administrator
