October 7, 2022

To: All family members of a current St. Martin's Resident and to our friends,

It is with a grateful heart that I report to you today that no positive cases were detected during this week's COVID testing. My hope is the decline is due to our employees proactively seeking vaccination and boosters.

In accordance with the Centers for Medicare and Medicaid Services and the Department of Health, because we had no new cases in a two-week period, weekly testing is discontinued. If this status were to change, we will notify you immediately.

Our Residents and employees continue to be monitored for symptoms. Proper personal protective equipment continues to be worn and social distancing maintained. We also ask that visitors who are experiencing any cold-like symptoms should refrain from visiting.

The Little Sisters join me in wishing you a safe and healthy weekend.

Most sincerely,

Ryan Sachs, LNHA
Administrator
