September 30, 2022

To: All family members of a current St. Martin's Resident and to our friends,

Writing this letter today makes the Little Sisters and me very happy. We had no new cases of the coronavirus during our testing days this week. We are hoping we are back on the road to recovery and that this indicates the vaccines are truly working.

You may have heard that the Centers for Disease Control (CDC), the Maryland Department of Health, and the Centers for Medicare and Medicaid Services (CMS), have lifted the mandate of wearing masks in nursing homes. Fortunately for our beloved Residents, we still require all employees and visitors to wear a mask while in the building.

The fall season brings with it some of the loveliest days of the year. We encourage you to visit your loved one and spend some time in one of our lovely gardens. There are benches for you sit and share family news while at the same time enjoying the cool, crisp fall days. And while outside, no one needs to be masked.

Thank you once again for allowing us the honor of caring for your family member. The Little Sisters and the staff join me in wishing you a safe and healthy weekend.

Most sincerely,

Ryan Sachs, LNHA
Administrator
