To: All family members of a current St. Martin's Resident and to our friends,

Thanks be to God! Once again this week we have no positive COVID cases in our Home. We are so thankful to our God, to St. Jeanne Jugan, and to good St. Joseph for watching over us.

Each week, I encourage you to get vaccinated against the coronavirus and the influenza which can also be devastating to the elderly. Protecting yourself is the best way to also protect those you love.

This Sunday, we begin the Advent season – a time of grace and preparation to receive Jesus in the manger of our hearts. The word Advent comes from the Latin *adventus* which means coming or arrival. It is one of the most beautiful times because we enter into an atmosphere of peace while meditating on the birth of Jesus.

During this holy season, the Little Sisters promise to pray for you, your family, and your intentions. We ask God to keep you and your loved ones safe and healthy.

Most sincerely,

Sister Jeanne Mary, l.s.p.  
Mother Superior
