To: All family members of a current St. Martin's Resident and to our friends,

Unfortunately our COVID testing today produced four positive cases. Three of those cases are Residents and one is an employee. The employee does not have direct care of the Residents and is quarantining at home while the Residents are quarantining in their rooms.

We will continue monitoring – thru testing – the Residents twice a week for two weeks. And we will also continue to quickly provide you with updates.

As we approach Christmas Day, we wish you and your family a safe, healthy and holy day. Please remember to be vigilant about wearing your mask and performing frequent handwashing.

Most sincerely,

Sister Jeanne Mary, I.S.P.  
Mother Superior
