To: All family members of a current St. Martin's Resident and to our friends,

One of our employees who has no Resident contact and has not been in our St. Martin's Home since Friday, tested positive for COVID-19 and is at home recuperating.

Testing today resulted in an additional employee testing positive. This employee has no Resident contact and will also recuperate at home. We will continue testing twice weekly for the next two weeks.

This is not the news we wanted to share with you but we thank God, St. Jeanne Jugan, and our good St. Joseph for keeping our beloved Residents safe and healthy.

The Little Sisters join me in wishing you a prayerful Christmas season.

Most sincerely,

Sister Jeanne Mary, l.s.p
Mother Superior
