To: All family members of a current St. Martin's Resident and to our friends,

For the second time this week, an employee tested positive for COVID. This employee had no contact with Residents and is quarantining at home.

We had hoped to see a decline in the positive COVID cases but unfortunately that has not happened. Just as we encourage all employees to be vaccinated and boosted, we encourage you as well.

Please be assured of our prayers for you and your families,

Most sincerely,

Sister Jeanne Mary, l.s.p.  
Mother Superior
