To: All family members of a current St. Martin's Resident and to our friends,

Today's COVID testing produced two positive cases in employees who have Resident contact. We ask that you join us in praying for these employees who are now quarantining at home.

Resident testing will continue for the next two weeks and we encourage you to be vigilant when visiting with your loved ones. Remember the best way to combat the coronavirus is through vaccination, frequent hand washing, and social distancing. We also encourage you to continue wearing your mask when out in public.

The Little Sisters join me in wishing you well and in praying for you and your intentions.

Most sincerely,

Mother Jeanne Mary, l.s.p.
