To: All family members of a current St. Martin's family and to our friends,

Unfortunately, expanded covid-19 testing this morning produced four new covid-19 cases. Three of these cases are Residents and one is an employee. The employee will be self-quarantining at home and the three Residents will be quarantining in their rooms. We will continue to monitor all Residents and staff – through testing until we are once again covid free for at least two weeks.

We continue to urge our staff to remain vigilant and continue to wear their masks when out in public and to keep their vaccines and boosters current.

We continue to pray for you and your family daily and we continue to thank God, St. Jeanne Jugan, and our good St. Joseph for keeping us safe.

Most sincerely,

Sister Jeanne Mary, l.s.p.
