To: All family members of a current St. Martin's Resident and to our friends,

We are very pleased that this week there were no positive cases of COVID-19 to report. We pray that this will be our status as we move forward.

We had days of lovely spring-like weather this week and, with that, comes the promise of a short winter. However, this is the time of year we need to remain guarded against COVID, colds, and flu. Please remember to wear your mask when in crowded indoor places and wash your hands frequently. These simple safeguards will help us all to remain healthy.

The Little Sisters join me in prayers for you and your family. In return, we ask you to pray for the Little Sisters and the beloved Residents of St. Martin's Home.

Most sincerely,

Sister Jeanne Mary, l.s.p.
