To: All family members of a current St. Martin's Resident and to our friends,

Today I am able to write my favorite COVID letter – the one where I tell you we have no new cases this week. I am also pleased to let you know the Residents who tested positive last week are doing fine and will hopefully be out of quarantine on Monday, February 13. It will definitely be a Happy Valentine's Day at St. Martin's.

Please continue to remain vigilant in the fight against COVID. As we've witnessed here, it can and will strike anyone any time and it is up to us do our part to help eradicate it if possible.

The Little Sisters join me in wishing you and your family a safe and happy weekend and a very happy St. Valentine's Day.

Most sincerely,

Sister Jeanne Mary, l.s.p.
