To: All family members of a current St. Martin's Resident and to our friends,

My joy last Friday – brought on by being able to report to you that we had no new cases of COVID – was short lived. Today we were made aware of an employee testing positive. This employee has no contact with our Residents and is currently quarantining.

As always, we will continue to monitor all Residents and staff. Please join us in asking God, St. Jeanne Jugan, and our good St. Joseph to continue watching over St. Martin's Home.

Most sincerely,

Sister Jeanne Mary, l.s.p.
