To: All family members of a current St. Martin's Resident and to our friends,

Although we were very disappointed last week when one of our employees tested positive for COVID, our entire staff responded as they were taught and no further cases evolved. We hope you join us in thanking God, St. Jeanne Jugan, and our good St. Joseph for keeping our Residents safe.

This Sunday is Palm Sunday – the Sunday before Easter. And we encourage each of you, as you gather with family during Holy Week, to be cautious. The threat of the coronavirus is still very real.

We pray for you and your family and ask that you remember the Little Sisters, the Residents and the staff of St. Martin's Home in your prayers.

Most sincerely,

Sister Jeanne Mary, l.s.p.
